

# Identity Medical Group is Now Dignity Health Medical Group.

## New name.

The healing power of humankindness grows stronger when we bring together the smartest physicians we know. That is why we're joining the Dignity Health family.

Our combined group of more than 50 trusted providers will deliver quality care to the community from 15 convenient locations. Together we will now be known as Dignity Health Medical Group. More importantly, our patients will continue to be treated with the kindness you've grown to expect from all of us.

## Same great care.

**As a patient, there is no action required on your part.** You can keep your same doctors and your health plan. The billing and other paperwork will look different now that we are part of the Dignity Health family, but our phone numbers and the staff you speak with on the phone and in person remain the same.

We look forward to serving your health care needs now and into the future.

**Hello humankindness®**

# Identity Medical Group is Now Dignity Health Medical Group.

New Name, Same Great Care.

## Patient Q&A | September 2018.

The healing power of humankindness grows stronger when we bring together the smartest physicians we know. That is why we're joining the Dignity Health family.

Our combined group of more than 50 trusted providers will deliver quality care to the community from 15 convenient locations. Together we will now be known as Dignity Health Medical Group. More importantly, our patients will continue to be treated with the kindness you've grown to expect from all of us.

### 1. I see an Identity Medical Group doctor. Is there anything I need to do?

There is nothing that Identity Medical Group patients need to do. We will continue to operate as we have before and patient care will not be affected. You can continue to see your same primary and specialty care providers and do not need to change health plans.

The billing and paperwork will look different now that we are part of the Dignity Health family, but our phone numbers and the staff you speak with on the phone and in person remain the same. We look forward to serving your health care needs now and into the future.

For more information or to schedule an appointment, please call 805.738.3862.

### 2. How does this announcement benefit patient care in the community?

This agreement is good news. It fosters the continued integration of health care services across the spectrum of outpatient and inpatient care. There will also be opportunity to expand access to affordable high quality care in the communities we serve.

### 3. Why is Identity Medical Group affiliating with Dignity Health?

Identity Medical Group has had a long and successful relationship with Dignity Health and Dignity Health Medical Foundation. We share the same mission to provide high quality, patient-centric care in Ventura County. This agreement is good news for our patients who will benefit in the long run from more integrated and comprehensive services for the community, including more coordination between health care providers.

The agreement will not only enhance our existing services, but it will also ensure long-term sustainability and help us serve the growing needs of Ventura County.
